between cost efficiency and environmental responsibility. This necessitates a shift in procurement strategies considering the long-term cost savings and benefits of sustainable practices.

**Promoting Green Innovation** The industry needs to invest in research and development to bring down the cost of sustainable alternatives, making them more accessible and competitive.

**2 Ensuring Transparency and Accountability: Verification and Certification** The catalogue encourages suppliers to obtain independent verification and certification of their sustainability claims, ensuring accurate information and promoting accountability within the supply chain.

**Audits and Inspections** Regular audits and inspections are essential to ensure that suppliers adhere to ethical and sustainable practices, minimizing the risk of greenwashing and maintaining credibility.

**3 Challenges of Implementing Change: Industry-Wide Collaboration** The success of the 5th edition relies on widespread adoption and commitment from both ship owners and suppliers. This requires a collaborative effort to:

- 3.1 raise awareness, share best practices, and incentivize responsible sourcing.

**Addressing Legacy Practices** Shifting from traditional practices to sustainable ones can be challenging, especially for established businesses. Effective communication and education are crucial to encourage adoption and facilitate a smooth transition.

**4 The Role of Stakeholders: Regulators and Governments** Governments and regulatory bodies play a crucial role in setting standards, implementing regulations, and promoting sustainable practices through incentives and policies.

**Consumers and NGOs** Consumer demand for sustainable products and the pressure from environmental NGOs can influence industry behavior, pushing for greater transparency and ethical sourcing practices.

**5 The Future of Maritime Procurement** The 5th edition of the IMPA Marine Stores catalogue represents a significant step towards a more sustainable and ethical maritime industry. By embracing these changes, ship owners, suppliers, and all stakeholders can collectively contribute to a cleaner and more responsible maritime sector.

**Conclusion** The 5th edition of the IMPA Marine Stores catalogue is a powerful tool for driving positive change within the maritime industry. By focusing on sustainability, ethical sourcing, and responsible procurement, it paves the way for a more environmentally conscious and socially responsible future for the maritime industry. By embracing these changes and collaborating with stakeholders, we can chart a course towards a sustainable and ethical maritime industry that thrives for generations to come.
