what do we mean by left wing or right wing people started using the language of a political spectrum when early twentieth century political parties began to distinguish their platforms by offering different approaches to income distribution the terrific engine examines how the powerful tool of income taxation transformed the way people talk and think about politics in canada drawing on heated debates that demonstrated the imaginative power of income taxation david tough traces the modernization of political language from the 1911 election through the second world war countering a strongly held myth that income taxation was imposed on a reluctant public tough argues that its introduction is in fact a story of democracy people first demanded that this new form of taxation replace existing ones and then that it be used

to address income inequality and in establishing a clear basis for party differences income taxation made elections significantly more democratic

in reasoning otherwise author ian mckay returns to the concepts and methods of reconnaissance first outlined in rebels reds radicals to examine the people and events that led to the rise of the left in canada from 1890 to 1920 reasoning otherwise highlights how a new way of looking at the world based on theories of evolution transformed struggles around class religion gender and race and culminates in a new interpretation of the winnipeg general strike of 1919 as mckay demonstrated in rebels reds radicals the canadian left is alive and flourishing and has shaped the canadian experience in subtle and powerful ways reasoning otherwise continues this tradition of offering important new insight into the deep roots of leftism in canada

during the late nineteenth and early twentieth centuries a host of journalists ministers medical doctors businessmen lawyers labor leaders politicians and others called for an assault on poverty slums disreputable boarding houses alcoholism prostitution sweatshop conditions inadequate educational facilities and other social evils although they represented an array of political positions and advocated a range of strategies to deal with what they deemed problems historians have come to term this impulse urban reform or the urban reform movement this book considers the history of reform ideology in canada it does so by considering four leading reformers living in what might be described as the most canadian of canadian cities winnipeg manitoba while the book engages in discussions debates surrounding the particular individuals it considers its more general argument is that to understand the history of reform in canada requires viewing reformers as simultaneously experiencing and responding to two basic phenomena simultaneously it requires understanding them as confronting the polarizing tendencies exploitation and sometimes grinding poverty that was central to the economic order they often unwittingly helped to impose in northern north america it also however requires seeing them as fundamentally shaped by the process and legacy of the dispossession of aboriginal peoples and the changing nature of aboriginal settler relations that were also central to the development of canada

this invaluable guide to fruit growing offers a comprehensive and detailed look at everything from planting and pruning to harvesting and marketing with clear and concise instructions detailed illustrations and expert advice from a seasoned fruit grower this book is an indispensable resource for anyone interested in growing fruit whether for profit or for pleasure this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
